## MOBILITY IMPAIRED PERSONS

- Plan ahead for emergency situations or evacuations.
- Know the exit routes in the frequented buildings, and check them for suitability, even if they are not the normal route of travel.
- Evacuate immediately upon hearing an evacuation announcement, assisted by a nominated person.

## IN CASE OF FIRE OR OTHER EMERGENCY

- Upon hearing a continuous smoke alarm sounding, or a person shouting an emergency announcement acknowledge or investigate the noise. **REMOVE** any persons in immediate danger and direct them to a safe place. Should an evacuation be necessary secure personal valuables and evacuate to the safety of an outside Assembly Point. Do not block Exit Paths.
- ALERT** nearby persons of any danger immediately, and dial **000 (Triple Zero)** to ensure an **Emergency Services response**
- CONFINE** fire and smoke. If possible, and if not hindering the evacuation of other residents, close (do not lock) doors and windows, only if it is safe to do so.
- EVACUATE.** Assist any person in immediate danger, but only if safe to do so. Assist with the evacuation of disabled occupants. Act in accordance with directions given by the available responsible person(s) and evacuate the building immediately. All residents should remain at the elected Assembly Point until the situation is assessed and all of occupants are accounted for. No one is to re-enter a building until advised by an acting Warden or the attending Emergency Services personnel.
